*In attendance: Joe Hall (Committee Chair), Mary Tamminga (Voting Member), Jason Jenkins (Voting Member)*

*Guests: Erin Sian (Resident)*

*Staff: Alice Howe (Program Specialist), Garrett Karp (Program Manager)*

**1. Discussion**

- a. The Committee reviewed the digital Streetscape Survey prepared by staff that will be released for public comments
  - i. Members of the committee provided several small changes to wording and places to post link for survey
  - ii. GK suggested leaving the survey up until right before the next Transportation Committee meeting on June 10<sup>th</sup> the collect feedback
- b. 2022 Budget
  - i. SSA will be submitting 2022 budget drafts to the city in late July. The committee began brainstorming ideas for projects next year.
  - ii. Streetscape Survey results will help guide these decisions for 2021 and into 2022.

**2. Ongoing Discussions**

- a. Festive Lighting
  - i. With the Boombox structure removal at Metzger Court, this would be a great off-road option to add lighting in the neighborhood.
- b. Future ideas for spaces under train tracks at Damen aren't explicitly included in the survey, but JJ is looking into custom bike racks and other ideas
- c. Could Transportation Committee team up with Arts Committee for street art on electrical boxes and other utilities
