

WPB Transportation Committee  
Minutes  
February 9, 2017

In attendance: Brent Norsman (co-chair), Joe Hall (co-chair), Lindsay Bailey, Jessica Wobbekind (Managing Director), Michael Ashkenasi (Program Specialist)

1. The committee discussed on-going project updates
  - a. bench permits are in process, the committee would like to find some more locations. Each committee/staff member took sections of the SSA to scout out new locations. JW continue to put it in the newsletter
  - b. Everyone will look for crosswalks that need to be restriped or added while out looking for bench locations. We will begin a "crosswalk initiative" and set a standard for our ideal crosswalk, it could include:
    - a. Unique striping- maybe orange?
    - b. new crosswalk signs, MA will price out
    - c. bump-outs
  - c. The committee discussed the update on Bike Corrals
    - a. Red & White- loading zone needs to be removed
    - b. CDOT submitted the requests for Parlor Pizza and I Love Kickboxing to engineering
    - c. Still looking for a 4<sup>th</sup> location- Wicker Park Commons is still interested
    - d. JW will order 5 and continue to look for locations
  - d. Blue Lounge Project
    - a. Collected letters of support from 8 businesses, waiting to hear back from 4. A few dropped out.
2. JH, BN and JW met with CDOT on Wednesday, 2/8 and discussed possible upgrades at Milwaukee / North / Damen to make it safer and more user-friendly for all modes. The committee discussed a pilot project to highlight and test-out possible upgrades. The committee will submit a drawing with requested upgrades to CDOT. Ideas include:
  - a. Bike boxes
  - b. Enhanced crosswalks and additional crosswalks from walgreens to starbucks and bank to starbucks.
  - c. No turns
  - d. Bike signals, allowing bikes to cross with pedestrians and not just with the traffic light
3. The committee discussed Master Plan Implementation Matrix
  - a. Wayfinding
  - b. People street at Wood- the committee will still work towards completing a people street in 2017.
